Roblox uses multiple methods of advertising. They first started advertising on websites like Nickelodeon, but they have moved to focusing on social media sites like Facebook and Twitter.[66] Roblox also primarily advertises at gaming conventions such as E3 and Minecon. Roblox has an official YouTube channel on which they occasionally stream live events called "Developer Live", where Roblox employees give sneak peeks of upcoming features.[67] They have also recently released a list of YouTubers that are apart of their Developer Program called the "Roblox Ambassador Program". These YouTubers are able to test new features in Roblox before anyone else with the exception of Google employees.

On October 10, 2018, Roblox announced that they will be selling 49% of their ownership stake to Tencent Holdings for \$100 million. The transaction is subject to approval by the Roblox board of directors and Tencent before it goes into effect. The acquisition is part of a strategy by RoLabX to become a global gaming powerhouse with operations in China. The deal also confirmed that Tencent will continue to operate as the chief customer and user experience partner for ROBLOX.

On November 24th 2018, the game was reuploaded on ROBLOX and was named simply "Anthem". It is the exact same game as before with no changes or improvements.[90] ROBLOX 3D: On December 23rd 2018, ROBLOX released a new version of their website called "Roblox 3D". The company claimed that it was meant to be an improved version of their 2014 release. The 3D design features many new animations and tools for users to create models. They also put a lot of time into making it look more modern.

Rated 4 out of 5 by Anonymous from fun! I like roblox because you can be what you want to be!choose from many different jobs,sheriff,doctor, or president.I love this game! Rated 4 out of 5 by Anonymous from It's a fun game I would rate the game a 5 but there are way too many ads!!! Rated 4 out of 5 by Anonymous from Awesome!! You should get this app!! It's cool because you can make your own games with other people on it.

Users also have access to a vast selection of blocks in which they are able to build with. Some users may download free or paid objects from the Marketplace. Once bought, users are free to add new elements and edit them however they wish without paying anything else. Additionally, users have the option to buy premium blocks from the marketplace and be able to edit them more.
